## Fr Stan writes.....

We are all aware and devastated by what the Royal Commission into Institutional Responses to Child Sexual Abuse has revealed. I ask your prayers for the innocent victims of abuse, especially the children, and for our Church in Australia, our bishops and leaders of religious congregations and institutes. We pray also for the work of the Royal Commission, that it will bring healing and support our nation in ensuring the safety of all children.

Since we started our new school year, our **Children's Liturgy** has also recommenced for the year. Thank you to all those who volunteer at our two Sunday morning Masses to help with this important ministry. I would encourage those with young children to take the opportunity to be part of this programme. It is a great way for our younger parish members to be enriched by the Word of God each weekend.
