Fr Stan writes ...

The word **catechist** comes from the Greek word "**echo**". Catechists **echo** the **Word of God** to our parish children in the public schools. They come from all walks of life and all ages. Catechists are not expert teachers or brilliant theologians. They are ordinary people, **just like you**, who generously volunteer their time to share our Catholic faith, values and traditions with our youngest generation of Christians. They are positive role models who help children grow in faith and spirituality. **What an important ministry!** Their gift has tremendous value ... because through their words and actions, the message of Christ continues to spread throughout the world.

Could you be a catechist?

Please touch the hearts of our parishioners to answer this call and let them know that they are welcome to contact Anna at hnsrscripture@gmail.com
