Fr Stan writes...

This past week the members of the Michaelite province of Australia and PNG came together for our annual retreat. This is an important time for us as a religious community to gather as brother priests to pray, reflect and spend time in fraternity. It is also an important time for us to recommit ourselves to our priestly ministry and to the mission and charism of our Congregation. I am grateful to all my brother priests for their fraternity and ministry. We also spent time on retreat praying for the communities in which we minister, and asked God and St Michael to continue to send their graces and protection upon us all.

This weekend, the children who will be receiving their First Holy Communion in June, will begin their preparation for this important sacrament. Please keep them and their families in your prayers

You don't have to work out the home care system on your own. Staying independent in your own home is a priority for many Australian Seniors. CatholicCare's Home Care Specialists can guide you through the complicated government systems.
