Not in our Parish...?

The policy of Holy Spirit Parish is to celebrate Baptisms of children from parish families.

A parish family is one that:

- lives within the boundaries of the parish, or
- shows clear evidence of commitment to the Parish through regular attendance at Sunday Mass and material support of the parish.

We encourage families to baptise their child in their family parish as it respects the integrity of each parish, recognises the important role of young families in building up their local parish and affirms the special pastoral relationship between pastors and their parishioners.

Children from families outside the parish will be baptised at Holy Spirit Parish only for special pastoral reasons. In such cases parents must contact and then obtain permission on this form from the Parish Priest of their local parish before their child's nomination will be considered.

The parents of the following candidate who live in your parish have nominated their child for Baptism at Holy Spirit Parish. Please indicate below whether you support their request:

I give permission for the Baptism to take place in Holy Spirit Church, North Ryde. I acknowledge and support this request:
